

Jasi Masters Swimming Club Newsletter

**November/December 2015- the special Christmas
collector's bumper edition**

FEATURING:

**AGM and BBQ photos and the end of year Commodore
function**

**Swimming again Tuesday 5th January! Be there, and at
the pub after, or be square!**

Social activities, including the 2015 AGM:

A very successful AGM and BBQ was held at Ken's place. Highlights, other than the fantastic whitebait (by the bucket) and venison, were the election of officers for 2016:

President	Susanna Gin
Treasurer	Tania Dempsey
Secretary	Kathryn Treeby
Club Captains	Ken Hughey (and one vacant)
Vice President	Vacant
Committee:	Tim Jackson, Andrew Southen, Bryce Shaw, Lesley Joyce, Alex Smedley

And of course, our trophy winners:

***Most Improved Swimmer
Swimmer of the Year***

Peter Mayne

*Simon Olliver – for swimming Lake Taupo and the
English Channel*

IM Trophy

Robyn Crotty

President's Trophy

*Richard Cark – for all his work with the 'Gentlemens'
club lane'*

Simon was awarded
'Swimmer of the year' for
2015

Peter – 'Most improved
Swimmer' (and also takes care
of the President's Trophy for
Richard)

The weather started slowly and then following tradition, came right!

End of year drinks at the Commodore

Almost finally, there was a great turn out of swimmers and partners at the Commodore – around 25 in total. Pizzas, wedges, coffee and tea was put on by the club and a great time was enjoyed by all.

Susanna and Tania were in very earnest conversation! Think it might have been about sacking Ken!?

Swimming starts again 5th January 2016

Remember – swimming starts again on Tuesday 5th January at 6pm and note: the Sport pool is closed for refurbishment from early January until at least March, and we will need to swim outside on both Tuesdays and Sundays (I will cope!). During that time we might have to be flexible on busy Tuesday nights (although we are not sure what this really means in practice!).

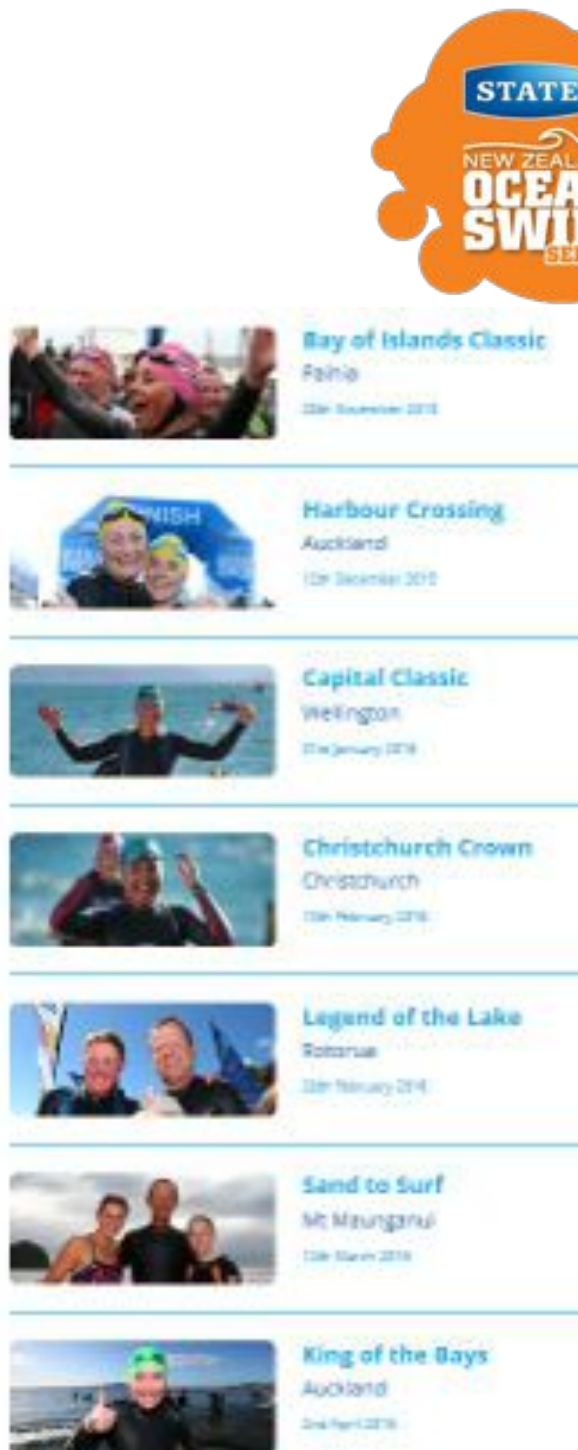

Upcoming events:

The 2015-2016 **Port Nelson Summer Sea Swims:**

- Sunday January 10, 11am, Eyebright Mile (2km);
- Sunday January 24, 10.30am (3.8km);
- Sunday March 20, 8.30am (2.8km)

And of course:
